

Main Applications

For soil stabilization, sludge treatment, pH regulation.

Information Chemistry, Physics and Packaging

Chemical Characteristics		Reference	Specification
--------------------------	--	-----------	---------------

Calcium oxide	CaO	ASTM C-25	60% min
---------------	-----	-----------	---------

Physical Characteristics		Range	Specification
--------------------------	--	-------	---------------

Grit	ASTM C-110	¼" - 0	95% min
------	------------	--------	---------
